Santa Maria Village situated in a superb location, close one of the best beaches in Limassol and 5 minute walk into the heart of Limassols popular tourist area. This complex is built to resemble a typical Cypriot Village; apartments consist of one bedroom and enjoy a balcony overlooking the large pool. Apartments have a fully equipped Italian walnut kitchen with counter tops and kitchen table lined with quality granite. The wall unit in the lounge area matches the design in the kitchen. Hidden away in the wall units are two extra pull down beds. Apartments are fully furnished with fully air-condition and include central heating. An underground parking area is also included.
